All of these questions must be managed through HQ EOC - likely the OGC desk there.

Subject: OMB Questions on Gold King Mine Spill

Hi Jen and Meridith,

OMB has a few questions regarding the Gold King Mine spill in Colorado.

1. EPA has committed to respond to Gold King Mine release claims as soon as possible. Where will the funding for claims come from? DOJ claims or another source?
2. Does EPA anticipate sufficient funding for these claims? How much has been spent so far this year and what resources are left?
